All,

Since there were relatively minor edits on the staffing section of the report, I'm not going to make any additional changes at this point.

As noted in the report, BOP has hired about (b) (5) of its dedicated FSA positions. BOP continues to work on filling those positions. Therefore, I'm hopeful that the total number of onboard dedicated FSA positions will get a bit higher in the

next few weeks. If there is meaningful progress on that front, I'll let you know and we can update the stats and charts with new FSA staffing numbers before it is put in final.

Best, Kathy

Tamarra,

Are you able to go through and resolve comments that you inserted, which have been responded to? I was hesitant to do that b/c I wanted you to be able to see the feedback.

I am trying to prepare a clean draft, with few to zero comments and track changes, to send home with the DAG, John, OAG, and Vanita, tomorrow. But I don't want to remove stuff before you've had a chance to internalize the feedback.

Yours

Dear all,

Attached is the FSA Annual Report. Julius and I have worked to resolve nearly all of TM's comments but I have left most of them in, with the responsive track changes, so that she can track.

Karl and Kathy, can you guys please review, esp. the staffing section, and offer any line edits or resolution of things, and send back to this chain (if possible) by this evening, when Tamarra is next going to go through the document again?

Still aiming to get a clean copy for DAG/ASG/OAG review by COB tomorrow.

All,

Here are my edits to the staffing section. I haven't changed much content. But, I have moved several things around. During editing, we ended up with some information about general BOP hiring mixed in with information about hiring for positions with dedicated FSA funding. I think that this version flows better and is easier to follow.

Please let me know if you have any questions.

Dear BOP,

Hi there! Attached is a clean draft of the FSA Annual Report. We shared this with leadership and don't have additional edits at this time. I think we want to drive towards finalizing this in the coming days, so that it can be ready for publication by Dec. 17.

Can you guys please go through this again and just check that everything still looks good/OK? If there were any open threads or things not fully run down, from your memories, can you flag those?

Thanks so much

Sara, attached are the BOP comments.

On a related note, are we good to publish the needs validation report? Our correspondence reflects we forwarded the latest (hopefully final) version a few weeks back, and haven't heard back yet - wasn't sure if that reflected no concerns (so we can publish at will) or just no feedback yet.

Thanks!

Dear BOP,

Hi there! Attached is a clean draft of the FSA Annual Report. We shared this with leadership and don't have additional edits at this time. I think we want to drive towards finalizing this in the coming days, so that it can be ready for publication by Dec. 17.

Can you guys please go through this again and just check that everything still looks good/OK? If there were any open threads or things not fully run down, from your memories, can you flag those?

Thanks so much
Sara
