All,

We are confirmed for tomorrow from 1-3, with debrief to follow from 3:00-3:30. We will be in EEOB 430ABC.

In order to fit the questioning into the new timeframe, some of the WH folks (Brett, Megan, Raj, Chris, and I) will not be questioning. (Brett will still preside.) My understanding is that Larry is out of pocket, and 1-2 others may also be. That will leave us with 60 mins total for the 2 counsels and about the same amount of time for the Senators.

Thanks again for your flexibility!

All,

Apologies yet again for the late notice! Given that the hearing has been postponed until Thursday – and that we still don't know what format it will take – we are going to postpone the moot again from Monday till Tuesday. I'm so

sorry for the inconvenience. We don't yet have a time locked down, but are targeting 1-3 pm (with a 3:00-3:30) debrief. As soon as I have confirmation on the time, I will let you know.

As you may have read in the news, things are still up in the air regarding next week's potential hearing. Can I impose on you to save 1-3 on Monday (9/24) for a potential moot and 3:00-3:30 for debrief? I'll keep you updated tonight and/or over the weekend about potential format and with any developments that affect the moot.

Apologies for all the uncertainty and thanks for your help!

Friends,

With apologies for the late notice, we have decided to postpone tomorrow's moot until Monday in light of tonight's events (which seem to indicate that a Monday hearing is a no-go).

I will be in touch tomorrow with proposed timing for the rescheduled Monday moot. (We obviously understand that some of you may have conflicts with the rescheduled date/time – I'm so sorry in advance if anyone ends up having spent time prepping for tomorrow and then not being able to make it on Monday.)

Thank you so much for your flexibility and for being willing to help out!

**Subject:** 9/21 Moot -- 9:00-1:00 in EEOB 474

All,

Many thanks for being willing to moot Judge Kavanaugh tomorrow. The moot will take place from 9-1 in the Indian Treaty Room (EEOB 474). A calendar invite will circulate shortly with a WAVES link.

We don't yet know what format the Judge's actual hearing – if any – will take. So, in terms of format, the moot will proceed in two stages: First, two "counsels" (Mark Paoletta and Jill Tyson) will question the Judge for 30 minutes each. Second, a panel of "Senators" (10 Democrats and 5 Republicans) will question the Judge. Each Democrat will have 10 minutes, and each Republican will have 5 minutes. After the moot, we will have a collective feedback session before feedback is conveyed to the Judge.

The Senator line-up is below. Each Senator should already have received prep materials. We are not assigning individual lines of questioning, but all questions should be (at least arguably) related to Dr. Ford's false allegations.

Chairman Grassley: Brett Talley

Ranking Member Feinstein: Megan Lacy

Senator Leahy: Jeff Beelaert  
Senator Graham: Pat Urda  
Senator Durbin: Ted Lehman  
Senator Whitehouse: David Morrell  
Senator Klobuchar: Claire Murray  
Senator Coons: Larry Rothenberg  
Senator Sasse: Raj Shah  
Senator Blumenthal: Andrew Bernie  
Senator Hirono: Jenn Dickey  
Senator Flake: Michael Fragoso  
Senator Booker: Roman Martinez  
Senator Harris: Bethany Pickett  
Senator Tillis: Chris Michel

Many thanks for your help!

Hi All,

Here are the updates from today

- Senator Collins [is surprised Dr. Ford has decided not to testify](#). She says it is ["not fair" to Kavanaugh](#) for her to not testify.
- Senator Corker says that if the committee doesn't hear from Dr. Ford that [the confirmation should continue on to a vote](#).
- Senator Flake is satisfied that the committee schedule a hearing for Dr. Ford, and [he implores her to come and testify](#). If she doesn't testify [he supports moving forward with the confirmation](#).
- Senator McCaskill [will "set aside" Dr. Ford's allegations](#) when deciding how she will vote. Instead she will focus on Kavanaugh's judicial record.

Chad, does CIV have anyone sufficiently expert in (b)(5)

? Nothing lined up yet but we think we may need to offer a little tutorial, so would like to have someone identified and available just in case.

Many thanks.
